

# United Way of Monmouth County

Dear Community Leader,

United Way of Monmouth County in partnership with Brookdale Community College, Community Enterprises Corporation, SCAN Learning Center, AARP of Monmouth County and Monmouth County Workforce Investment Board is pleased to announce the launch of the Monmouth County Financial Stability Partnership.

This program will provide low- to middle-income residents access to free tax preparation sites throughout Monmouth County. These sites will be staffed with volunteers trained to prepare and electronically file basic tax returns, enabling qualified individuals to receive the Earned Income Tax Credit (EITC) as well as other tax credits. Many past recipients of these credits have used their refunds to make pivotal investments; allowing them to pay off debt, invest in education, and secure decent housing.

We have enclosed a brochure about the program for your reference. If you would like additional brochures to share and distribute, please call our office at 732-938-5988.

We hope that you will join us in this exciting effort to make lasting change throughout our community.

Sincerely,

A handwritten signature in cursive script that reads "T. Hearne".

Timothy C. Hearne, Jr.  
President and CEO
